W.P. No. 1548 of 2006 (S/S)
With
Stay App. No. 14942 / 06

Hon. P.C. Pant, J.

Heard learned counsel for the petitioner and learned Standing Counsel for the State.

By means of this petition, the petitioner has challenged the order dated 3rd of October 2006 (copy Annexure –3 to the writ petition) whereby the petitioner, an In-charge Range Officer, who was posted at Roorkee has been attached to the office of Forest Range, Kotdwar at Lansedown, by the Conservator of Forests, Shivalik Range, Uttaranchal. A consequential order dated 9th October 2006, whereby the petitioner is relieved from Roorkee has also been challenged.

Since, the impugned order (copy Annexure –3 to the writ petition) is a simple order of attachment of the petitioner, that too on the basis of complaints against him as mentioned in said order, this Court is not inclined to interfere with the same. Apart from this, there is no right of the petitioner, which has been violated in this case, nor is the impugned order, an order of punishment.

For the reasons as discussed above, this writ petition is dismissed in limine.

(The stay application No. 14942 of 2006 also stands disposed of).
